BY-LAWS
OF
THE VILLAGES ASSOCIATION NO. TWO

ARTICLE I
PLAN OF ASSOCIATION MEMBERSHIP

Section 1. Name

The name of the nonprofit mutual benefit corporation created hereby is THE VILLAGES ASSOCIATION NO. TWO ("the Association"). The principal office of the Association shall be located in Riverside County, California.

Section 2. Definitions.

All defined terms used in these By-laws shall have the same meaning and definition ascribed to those terms in the Declaration of Covenants, Conditions, and Restrictions recorded on February 25, 1988 as Instrument No. 49607, Official Records of Riverside County. Any amendment to those definitions shall be applicable to these By-laws.

Section 3. By-laws Applicability.

The provisions of these By-laws are applicable to the Project.

Section 4. Eligibility of Members.

Every Owner of a Lot within the Project shall automatically become a Member of this Association, which membership shall be appurtenant to said Lot.

Section 5. Assessment Obligations.

As provided in the Declaration, each Owner, including Declarant, shall be subject to assessments for regular monthly maintenance of the Landscape Maintenance Areas, Common Areas, and reserves for long-term repair and replacement of capital improvements. In addition, subject to the limitations provided in the Declaration, each Owner, including Declarant, may be subject to special assessments.

Section 6. Termination and Transfer of Membership

A membership in the Association shall automatically terminate upon transfer of title of the Lot to which it is appurtenant. A membership may be transferred only in conjunction with the transfer of title of the Lot to which it is appurtenant, and then only to the transferee of title. Upon said transfer and termination, the transferee shall automatically become a Member of the Association.

ARTICLE II
VOTING, MAJORITY OF MEMBERS, QUORUM, PROXIES

Section 1. Voting.

The Association shall have two classes of voting membership as defined in Article 3(b) of the Declaration. Class A Members shall have one vote per Lot owned and the Class B Members shall have three votes for each Lot owned by Declarant as more specifically set forth in the Declaration.

Section 2. Majority of Members.

Any provision in these By-laws or in the Declaration calling for approval by a "majority of Members" or "majority of the voting power" for action to be taken by the Association, except provisions with respect to action to enforce the obligations of the Subdivider under any completion bond, shall require the vote or written assent of a majority of each class of membership during the time that there are two outstanding classes of membership. From and after the cessation of two-class voting, "majority of Members" or "majority of the voting power" shall mean those Members holding a majority of the total voting power of the Association as well as a majority of the total voting power of members other than Declarant.

Where these By-laws or the Declaration requires the vote or written assent of each class of membership for the initiation of action by or in the name of the Association, except with respect to action to enforce the obligations of the Subdivider under any completion bond and except with respect to amendments to these By-laws or the Declaration, any requirement that the vote of the Declarant shall be excluded in any such determination shall be applicable only if there has been a conversion of Class B to Class A membership and only for so long as the Declarant holds or directly controls 25% or more of the voting power of the Association.

Section 3. Quorum.

Except as otherwise provided in these By-laws, the presence in person or by proxy of Members holding more than 50% of the votes in accordance with Section 1 of this Article II shall constitute a quorum.

Section 4. Proxies.

Votes may be cast in person or by proxy. Proxies must be filed with the Secretary before the appointed time of each meeting. A holder of a proxy need not be a Member of the Association. The proxy may be revoked at any time by written notice of the Member to the Secretary, and all proxies shall automatically terminate upon transfer of title of a Lot by the Owner.

Section 5. Election of Board.

Voting for the Board shall be by secret written ballot. Every Owner entitled to vote at any election for Board members of the Association may cumulate his votes and give one candidate the number of votes equal to the number of Board

members to be elected multiplied by the number of votes to which he is entitled under Section 1 of this Article II, or he may distribute his votes among as many candidates as he thinks fit. No Member shall be entitled to cumulate votes for a candidate or candidates unless the candidate's name or candidates' names have been placed in nomination prior to the voting and the Member has given notice at the meeting prior to the voting of the Member's intention to cumulate votes. If any one Member has given this notice, all Members may cumulate their votes for candidates in nomination. If the Members, excluding Declarant, do not have enough votes to elect at least one member of the Board, then one of the Board members shall be elected separately by vote of the Members, excluding Declarant.

ARTICLE III ADMINISTRATION

Section 1. Association Responsibilities.

The Board will have the responsibility of administering the Project, approving the annual budget, establishing and collecting monthly assessments and arranging for the management of the Project.

Section 2. Place of Meeting.

Meetings of the Association shall be held within the Project or as close thereto as practical, as determined by the Board.

Section 3. Annual Meetings.

The first annual meeting of the Association shall be held within six months following the close of escrow for the sale of the first Lot in the Project, or within 45 days following the close of escrow for the sale of 51 percent of the Lots within the project (as authorized under the first Final Subdivision Public Report for the Project), whichever shall first occur. Thereafter, the annual meetings of the Association shall be held in the month in which the first annual meeting was held. At such meetings a Board shall be elected by ballot of the Members in accordance with the requirements of Section 5 of Article II of these By-laws. The Members may also transact such other business of the Association as may properly come before them.

Section 4. Special Meetings.

It shall be the duty of the President to call a special meeting of the Members (a) upon the vote for such a meeting by a majority of a quorum of the Board or (b) upon receipt of a written request signed by Members representing not less than five percent (5%) of the total voting power of the Association. The Notice of any special meeting shall state the time and place of such meeting and the purpose thereof.

Section 5. Notice of Meetings.

It shall be the duty of the Secretary to mail or deliver a notice of each annual or special meeting, stating the purpose thereof, as well as the time and place where it is to be held, to the address of each Member as it appears on the

Membership register of the Association, not less than ten (10) nor more than ninety (90) days prior to such meeting. The mailing or personal delivery of a notice in the manner provided in this Section shall be considered notice served.

Section 6. Adjourned Meetings.

If any meeting cannot be organized because a quorum has not attended, the Members who are present, either in person or by proxy, may not transact any business except to adjourn the meeting to a time not less than five days nor more than thirty days from the time the original meeting was called. The quorum requirement for the subsequent meeting shall be 25% of the voting power of all Members of the Association. If a time and place for the adjourned meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for regular meetings.

Section 7. Action Without a Meeting.

Any action which may be taken by the vote of Members at a regular or special meeting, except the election of Board members, may be taken without a meeting if the Board distributes a written ballot to every Member entitled to vote on the matter. Such ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time within which to return the ballot to the Board.

Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Ballots shall be delivered to Members in the same manner as provided for delivery of notice of meetings in Section 5 of this Article III. All such ballots shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of directors, shall state the percentage of approvals necessary to pass the measure submitted. The ballot must specify the time by which it must be received in order to be counted.

Section 8. Order of Business.

The order of business of all meetings shall be as follows: (a) roll call; (b) proof of notice of meeting; (c) reading of Minutes of preceding meeting; (d) reports of officers; (e) report of committees; (f) appointment of inspectors of election; (g) election of Board members; (h) unfinished business; and (i) new business.

Section 9. Fiscal Year.

Unless modified by resolution of the Board, the fiscal year of the Association shall be the calendar year.

The affairs of the Association shall be governed by a Board of Directors ("Board"). The Board shall, prior to the first annual meeting, be composed of three persons ("Board members or Board member") appointed by Declarant. From and after the first annual meeting, the Board shall be composed of five duly elected persons serving a term as set forth in Section 5 of this Article.

(e) In addition to financial statements, the Board shall annually distribute during the 60 day period immediately prior to the beginning of the fiscal year a statement of the Association's policies and practices in enforcing its lien right or other legal remedies against Members for defaults in the payment of regular and special assessments.

(16) On a quarterly basis the Board shall do all of the following:

(17) The Board shall require the signature of two of its members to withdraw any funds from the Association's reserve accounts.

(B) The Board shall be prohibited from taking any of the following actions, except with the vote or written assent of a majority of the voting power of the Association residing in Members other than the Declarant.

(1) Entering into a contract with a third person wherein the third person will furnish goods or services for the Common Areas, the Landscape Maintenance Areas or the Association for a term longer than one year with the following exceptions: (i) a management contract, the terms of which have been approved by the Federal Housing Administration or Veterans Administration; or (ii) a contract with a public utility company if the rates charged for the materials or services are regulated by the Public Utilities Commission; provided, however, that the term of the contract shall not exceed the shortest term for which the supplier will contract at the regulated rate; or (iii) prepaid casualty and/or liability insurance policies of not to exceed three years duration, provided that the policy permits short rate cancellation by the insured.

(2) Incurring aggregate expenditures for capital improvements to the Common Areas or Landscape Maintenance Areas in any fiscal year in excess of 5% of the budgeted gross expenses of the Association for that fiscal year or a regular annual assessment which is more than 20 percent greater than the regular assessment of the immediately preceding fiscal year, except as set forth in section 1366(b) of the California Civil Code.

(3) Selling, during any fiscal year, property of the Association having an aggregate fair market greater than 5% of the budgeted gross expenses of the Association for that fiscal year; provided, however, the Board may sell, lease or assign without compensation to County Service Area 143 all or part of the Common Areas and/or the Landscape Maintenance Areas without any approval of members.

(4) Paying compensation to members of the Board or to officers of the Association for services performed in the conduct of the Association's business; provided, however, that the Board may cause a Board member or officer to be reimbursed for expenses incurred in carrying on the business of the Association.

(5) Filling of a vacancy on the Board created by the removal of a Board member as provided for in Section 7 of this Article IV.

Section 3. Other Duties.

In addition to duties imposed by these By-laws or by resolutions of the Association, the Board shall be responsible for the following: care, upkeep and surveillance of the Project as provided in the Declaration; collection of monthly and special assessments from the Owners; and hiring and dismissal of the personnel necessary for the Association's maintenance and operation of the Project.

Any management agreement for the Project shall provide for termination by either party without cause and without payment of a termination fee, upon 30 days' written notice, and shall have a term, not exceeding one year, renewable by agreement of the parties for successive one-year periods.

Section 5. Election and Term of Office.

The first election of the Board shall be at the first meeting of Members and thereafter at each annual meeting of Members, but if such annual meeting is not held or Board members are not elected there at, the Board members may be elected at a special meeting held for that purpose. Voting for the Board shall be by secret written ballot. The term of office for each Board member shall run concurrently, shall be for one (1) year and each shall hold office until a successor is elected.

Section 6. Vacancies.

Vacancies in the Board caused by any reason other than the removal of a Board member by a vote of the Association shall be filled by vote of the majority of the remaining Board members, and each person so elected shall be a Board member until a successor is elected at the next annual or special meeting of the Association.

Any Board member whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting. Unless the entire Board is removed from office by the vote of Members of the Association, no individual Board member shall be removed prior to the expiration of his or her term of office if the votes cast against removal would be sufficient to elect the Board member if voted cumulatively at an election at which the same total number of votes were cast and the entire number of Board members authorized at the time of the most recent election of the Board member were then elected; provided, however, that a Board member who has been elected to office solely by the votes of Members of the Association other than the Declarant, may be removed prior to the expiration of his term only by the vote of at least a simple majority of the voting power residing in Members other than the Declarant.

Section 8. Organization Meeting.

The first meeting of a newly elected Board shall be held within thirty (30) days of election at such place within the Project or as close thereto as possible as shall be fixed by the Board at the meeting at which such Board was elected, and no notice shall be necessary to the newly elected Board members in order to legally constitute such meeting; provided a majority of the whole Board shall be present.

Section 9. Regular and Special Meetings.

Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the Board members, but at least one such meeting shall be held each month, unless business to be transacted does not justify such frequent meetings, in which case the Board shall meet at least every three (3) months.

Special meetings of the Board may be called by written notice signed by the President or by any two members of the Board other than the President. The notice of a special meeting shall state the time, place and purpose of the meeting.

Notice of the time and place of regular Board meetings shall be communicated to all Board members not less than four (4) days prior to the meeting, and notice of the time, place and purpose of special meetings shall be communicated to all Board members not less than seventy-two (72) hours prior to the meeting, provided, however, that notice of a regular or special meeting need not be given to any Board member who has signed a waiver of notice or a written consent to the holding of the meeting.

Section 10. Open Meetings and Notice to Members.

Regular and special meetings of the Board shall be open to all Members; provided, however, that Members may not participate in any deliberation or discussion unless expressly so authorized by the vote of a majority of a quorum of the Board; provided, further, however, that upon the vote of a majority of a quorum of the Board, the Board may adjourn and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive sessions shall first be announced in open session.

Section 11. Quorum.

At all meetings of the Board, a majority of the authorized Board members shall constitute a quorum for the transaction of business, and the acts of the majority of the Board members present at a meeting at which a quorum is present shall be the acts of the Board. If at any meeting of the Board there be less than a quorum present, the majority of those present may adjourn the meeting to a time certain. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted provided a quorum is present.

Section 12. Action without Meeting.

The Board may take actions without a meeting upon unanimous written consent of all Board members. If such action is approved, an explanation of the action shall be posted at a prominent place or places within the common area within three days after the last written consent was obtained.

Section 13. Fidelity Bonds.

The Board may require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be paid by the Association.

ARTICLE V

Section 1. Designation.

The principal officers of the Association shall be a President, a Vice President, a Secretary, and a Treasurer, all of whom shall be appointed by the Board. One Board member may hold the dual offices of Vice President and Treasurer. The Board may appoint an assistant secretary, and such other officers as in its judgment may be necessary, and such other officers need not be Board members. Any Board member may simultaneously serve as an officer.

Section 2. Election and Removal of Officers.

The principal officers of the Association shall be elected by the Board at the organization meeting of each new Board and shall hold office for one year, unless such officer shall sooner resign or shall be removed or otherwise disqualified to serve. Section 4. Vice President.

The Vice President shall take the place of the President and perform his or her duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him or her by the Board.

Section 5. Secretary.

Section 7.

The Board may authorize any officer or officers to enter into any contract or execute any document in the name of and on behalf of the Association; and unless so authorized by the Board, no officer or other person shall have any power or authority to bind the Association or to pledge its credit or to render it liable for any debt or obligation, except the President and Secretary together may execute contracts and agreements in the ordinary course of business of The Association.

ARTICLE VI

Each Owner shall indemnify, hold harmless, and pay any costs of defense of each other Owner from claims for personal injury or property damage occurring within any Lot owned by the indemnitor, provided that this protection shall not extend to any indemnitee whose negligence or willful misconduct caused or contributed to the injury or damage; provided further that this Article VI is not intended to be for the benefit of any insurer and shall not affect nor limit the duty of any insurer to pay any claim which would be payable by said insurer but for this Article VI.

Such suspension shall not take effect unless the Member is notified in writing of the suspension and the reasons therefor at least fifteen (15) days prior to the effective date of the suspension, and if requested by said Member in writing within five (5) days after receipt of notice thereof, a hearing on said suspension is held before the Board. Said hearing shall be held by the Board at least five (5) days before the effective date of the suspension, and at said hearing the Member may appear and defend himself against the matters resulting in the notice of suspension.

Section 2. Fines.

The Board shall also have the right, pursuant to notice and hearing requirements of Section 7341 of the California Corporations Code and to such other procedures as it may establish, to assess fines against any Member who violates, or whose guest or guests, invitees or lessees violate, the Declaration, these By-laws, or the Rules and Regulations then in effect. The Articles of Incorporation may be amended after cessation of two class voting by a majority vote of all of the following: (a) the total voting power of the Association, and (b) the Members other than the Declarant and (c) The Board of Directors.

ARTICLE X
CONFLICTS

In the case of any conflict between the Declaration, the Articles and these By-laws, the Declaration shall control over all others, then the Articles shall control over the By-laws.

ARTICLE XI
INSPECTION OF BOOKS AND RECORDS

The membership register, books of account, and minutes of meetings of the Members, of the Board, and of the Board's committees shall be made available for inspection and copying by any Member of the Association, or by his duly-appointed representative, at any reasonable time and for a purpose reasonably related to his interest as a Member, at the office of the Association or at such other place as the Board shall prescribe, subject to such reasonable rules as the Board may establish with respect to: (i) notice to be given to the custodian of the records by the Member desiring to make the inspection; (ii) hours and days of the week when such an inspection may be made; and (iii) payment of the cost of reproducing copies of documents requested by a Member.

Every Board member shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Board member includes the right to make extracts and copies of documents.
